Subject: [pdxharborcag] Deq/EPA Joint Source Control Strategy
Date: 09/01/2005 05:02 PM

Dear CAG Members,

Just a quick head's up that today we posted the Joint Source Control Strategy (JSCS) on our web site at:

<http://www.deq.state.or.us/nwr/PortlandHarbor/jscs.htm>

Tomorrow we will mail a letter from DEQ/EPA to the Portland Harbor CAG and other Portland Harbor stakeholders inviting review & comment of the JSCS. That letter is posted on our web site too. We ask for a 30-day review period.
